ABOUT THIS HOME

The unique triple gable elevation with craftsman style elements, brick, stone, large windows, broad front porch and high ceiling at the entry welcomes you into this spacious single story, 1,826 sq. ft. home with three bedrooms and two bathrooms. Next to the high-ceiling entrance is a private study with glass doors. Granite countertops and ceramic tile backsplash have been included in the kitchen as elegant touches for the chef in the family. Ceramic tile floors in the entry and all wet areas ensure years of durability and ease of maintenance. Escape through a private hallway to the large master suite away from the secondary bedrooms. Pass through the double doors into the master bath to indulge yourself in your own oasis. As with all TriStone homes this plan is 100% Energy Star tested and certified to ensure quality construction, lower utility bills and comfortable living.
